

Your health information is **collected** and **protected** under Alberta's Health Information Act.

Our promise

Calgary Foothills Primary Care Network respects your confidentiality and privacy. Your information is collected, used, disclosed and protected according to the provisions of provincial and federal legislation.

How we use your information

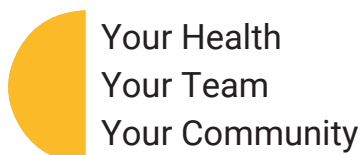

We may share this information within the clinic and with other health service providers who need the information to provide you with health services.

This also includes Alberta Health, Alberta Health Services, Calgary Foothills Primary Care Network and Netcare (Alberta Health's Electronic Health Record).

Health Information Act

Your health information is collected in accordance with Section 20 and 21 of the Health Information Act. The purpose of this collection is primarily for:

- Providing health services
- Processing payments for health services
- Determining eligibility for health services
- Conducting research
- Providing health and referral support
- Internal management purposes
- Quality Improvement

Questions related to the collection and privacy of your information should be directed to:
